At the Annual Meeting, stockholders will be asked to:

1. Elect three (3) Class III directors to our board of directors to serve until the 2025 annual meeting or until their successors are duly elected and qualified (Proposal 1);

The enclosed proxy is solicited on behalf of the Board of Directors (the “*Board*”) of Liberty Oilfield Services Inc. (the “*Company*”) for use at the Company’s 2022 Annual Meeting of Stockholders that will be held on Tuesday, April 19, 2022, at 9:00 a.m. Mountain Time, virtually at <https://web.lumiagm.com/245867901> (the “*Annual Meeting*”). In this proxy statement (the “*Proxy Statement*”) the terms “*Liberty*,” “*we*,” “*us*” and “*our*” all refer to the Company. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters brought before the Annual Meeting. Please read it carefully.

We are providing these proxy materials to you in connection with the solicitation by the Board of proxies to be voted at the Annual Meeting and at any adjournment or postponement thereof. By executing and returning the enclosed proxy card or by voting via the Internet or by telephone as set forth herein, you authorize the persons named in the proxy to represent you and vote your shares on the matters described herein. Those persons will also be authorized to vote your shares to adjourn the Annual Meeting from time to time and to vote your shares at any adjournments or postponements of the Annual Meeting.

Pursuant to the “notice and access” rules adopted by the Securities and Exchange Commission (the “*SEC*”), we have elected to provide stockholders access to our proxy materials over the Internet. **The approximate date on which this Proxy Statement, the accompanying Notice of Internet Availability of Proxy Materials (the “*Notice*”), proxy card, and the Company’s 2021 Annual Report on Form 10-K are first being made available to stockholders at <http://astproxyportal.com/ast/21952/> is March 9, 2022.** The Notice includes instructions on how to access our proxy materials over the Internet and how to request a printed copy of these materials.

Choosing to receive your future proxy materials by e-mail or to receive a single set of proxy materials per household will save the Company the cost of printing and mailing documents to you and will reduce the impact of the Company’s annual meetings on the environment. If you choose to receive future proxy materials by e-mail, you will receive an e-mail next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by e-mail will remain in effect until you terminate it.

#### **Annual Meeting Time & Location**

- **Date:** Tuesday, April 19, 2022
- **Time:** 9:00 a.m. Mountain Time
- **Location:** Virtually held at <https://web.lumiagm.com/245867901>

#### **Who Can Vote at the Annual Meeting**

The Company’s Class A Common Stock, par value \$0.01 per share (the “*Class A Common Stock*”), and Class B Common Stock, par value \$0.01 per share (the “*Class B Common Stock*,” and together with the Class A Common Stock, the “*Common Stock*”), are the only classes of securities entitled to vote at the Annual Meeting. Holders of Class A Common Stock and Class B Common Stock will vote together as a single class on all matters presented at the Annual Meeting. Each share of Common Stock outstanding at the close of business on February 22, 2022 (the “*Record Date*”) entitles its holder to one vote with respect to each matter at the Annual Meeting, and only stockholders of record on the Record Date are entitled to notice of, and to vote, virtually online or by proxy, at the Annual Meeting.

A complete list of stockholders entitled to vote at the Annual Meeting will be available for examination ten days before the Annual Meeting. If you would like to inspect the list of Company stockholders of record, please contact the Investor Relations department at [IR@libertyfrac.com](mailto:IR@libertyfrac.com) to schedule an appointment. This list of stockholders will also be available for inspection during the Annual Meeting by clicking on the link labeled “Request Stockholder List” on the virtual meeting site.

## How to Vote at the Annual Meeting

Many holders of the Company's Common Stock hold their shares through a broker, bank, trustee or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

*Stockholder of Record.* If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company LLC, then you are considered a "stockholder of record" with respect to those shares. In this case, a Notice or, if requested, a set of proxy materials has been sent to you directly by us. As a stockholder of record, you may vote over the Internet as described in the Notice that was mailed to you or, if you have received or requested a hard copy of this Proxy Statement and accompanying proxy card, you may vote by telephone as described on the proxy card, or by mail by marking, signing, dating and mailing your proxy card in the postage-paid envelope provided. Your designation of a proxy is revocable by following the procedures outlined in this Proxy Statement. The method by which you vote will not limit your right to vote virtually at the Annual Meeting. If you submit a signed proxy card but do not give voting instructions as to how your shares of Common Stock should be voted on a particular proposal at the Annual Meeting, your shares will be voted in accordance with the recommendations of our Board stated in this Proxy Statement.

*Beneficial Owners of Shares Held in Street Name.* If your shares of our Common Stock are held in a brokerage account or by a bank, trust or other nominee or custodian, then you are considered the beneficial owner of those shares, which are held in "street name." In this case, a Notice or, if requested, a set of proxy materials has been forwarded to you by the organization that holds your shares. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to instruct that organization how to vote the shares held in your account. If you are a beneficial owner of shares held in "street name," you need to submit voting instructions to your broker, bank or other nominee in order to cast your vote. The Notice that was mailed to you by that organization has specific instructions for how to submit your vote, or if you have received or requested a hard copy of this Proxy Statement you may mark, sign, date and mail the accompanying voting instruction form in the postage-paid envelope provided. Your vote is revocable by following the procedures outlined in this Proxy Statement. However, since you are not a stockholder of record you may not vote your shares virtually at the Annual Meeting without obtaining authorization from your broker, bank or other nominee. Whether or not you plan to attend the Annual Meeting virtually, we urge you to vote by following the voting instructions provided to you to ensure that your vote is counted. To vote virtually at the Annual Meeting, you must first obtain a valid legal proxy from your broker, bank or other agent and then register in advance to attend the Annual Meeting. After obtaining a valid legal proxy from your broker, bank or other agent, to then register to attend the Annual Meeting, you must submit proof of your legal proxy reflecting the number of your shares along with your name and email address to AST. Requests for registration should be directed to [proxy@astfinancial.com](mailto:proxy@astfinancial.com) or to facsimile number 718-765-8730. Written requests can be mailed to:

American Stock Transfer & Trust Company LLC  
Attn: Proxy Tabulation Department  
6201 15<sup>th</sup> Avenue  
Brooklyn, New York 11219

Requests for registration must be labeled as "Legal Proxy" and be received no later than 5:00 p.m., Eastern Time, on April 5, 2022. You will receive a confirmation of your registration by email after we receive your registration materials.

Telephone and Internet voting for stockholders of record will be available up until 11:59 PM Eastern Time on April 18, 2022, and mailed proxy cards must be received by April 18, 2022 in order to be counted at the Annual Meeting. If the Annual Meeting is adjourned or postponed, these deadlines may be extended. The voting deadlines and availability of telephone and Internet voting for beneficial owners of shares held in "street name" will depend on the voting processes of the organization that holds your shares of Common Stock. Therefore, we urge you to carefully review and follow the voting instructions card and any other materials that you receive from that organization.

If you receive more than one Notice, it is because your shares are registered in more than one name or are registered in different accounts. Please follow the instructions on each Notice received to ensure that all of your shares of Common Stock are voted.

### **"Broker Non-Votes" and Abstentions and their Effect on Proposals**

A broker non-vote occurs when a broker, bank, trust or other nominee or custodian holding shares for a beneficial owner in "street name" does not vote the shares on a proposal because the nominee does not have discretionary voting power for a particular item and has not received instructions from the beneficial owner regarding voting. Brokers who hold shares for the accounts of their clients have discretionary authority to vote shares if specific instructions are not given, only with respect to "routine" items.

If your shares are held by a broker on your behalf and you do not instruct the broker as to how to vote your shares of Common Stock with regard to the election of directors (*Proposal 1*) or the advisory vote regarding the compensation of named executive officers (*Proposal 2*), the broker may not exercise discretion to vote for or against those proposals because each of these proposals are considered "non-routine" under applicable New York Stock Exchange ("NYSE") rules. With respect to the ratification of the appointment of Deloitte &

Touche LLP (“*Deloitte*”) as our independent registered public accounting firm for the fiscal year ended December 31, 2022 (*Proposal 3*) and the name change (*Proposal 4*), the broker may exercise its discretion to vote for or against those proposals in the absence of your instruction. Broker non-votes would be treated as not entitled to vote with respect to non-discretionary matters.

An abstention (i.e. if you or your broker mark “ABSTAIN” on a proxy or voting instruction form, or if a stockholder of record attends the Annual Meeting but does not vote (either before or during the Annual Meeting)) has the same effect as voting “AGAINST” the advisory vote regarding the compensation of named executive officers (*Proposal 2*), the ratification of the appointment of Deloitte as our independent registered public accounting firm for the fiscal year ended December 31, 2022 (*Proposal 3*), or the name change (*Proposal 4*). Votes that are withheld from a director’s election will not affect the outcome of the vote on the election of a director.

### Quorum Requirements for the Annual Meeting

The presence at the Annual Meeting, whether in person or by valid proxy, of stockholders holding a majority of the shares of Common Stock outstanding on the Record Date and entitled to vote at the meeting will constitute a quorum, permitting us to conduct our business at the Annual Meeting. On the Record Date, there were 183,645,580 of Class A Common Stock and 2,449,191 of Class B Common Stock issued and outstanding and entitled to be voted at the Annual Meeting. Abstentions and broker non-votes will be considered to be shares present at the Annual Meeting for purposes of constituting a quorum.

### Votes Required to Approve Proposals and Board Recommendations

<b>Proposal</b>	<b>Required Vote</b>	<b>Board Recommendation</b>
(1) To elect three (3) Class III directors to the Board to serve until the 2025 annual meeting or until their successors are duly elected and qualified.	Plurality of Votes Cast	<b>FOR EACH NOMINEE</b>
(2) To approve, on an advisory basis, the compensation of our named executive officers.	Majority of Shares Present and Entitled to Vote on the Matter	<b>FOR</b>
(3) To ratify the appointment of Deloitte as our independent registered public accounting firm for the fiscal year ending December 31, 2022.	Majority of Shares Present and Entitled to Vote on the Matter	<b>FOR</b>
(4) To approve an amendment to our Amended and Restated Certificate of Incorporation to change the name of the Company to Liberty Energy Inc.	At least 66 2/3% in Voting Power of the Outstanding Shares Entitled to Vote Thereon	<b>FOR</b>

*Election of Directors.* To be elected, director nominees must receive a plurality of the votes cast by the holders of the shares entitled to vote in the election of directors at the Annual Meeting; this means that the three (3) nominees receiving the highest number of “FOR” votes cast will be elected. Abstention and broker non-votes will have no effect on the outcome of the election of our directors and cumulative voting is not permitted.

*Approval of Named Executive Officer Compensation.* Approval, on a non-binding advisory basis, of the compensation of our named executive officers requires the affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote on the matter. Abstentions will have the effect of a vote against this proposal, and broker non-votes are not counted as votes cast and will have no effect on the outcome of this proposal.

*Ratification of our Independent Registered Public Accounting Firm.* The affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote on the matter is required to ratify the appointment of Deloitte as our independent registered public accounting firm for the fiscal year ending December 31, 2022. Abstentions will have the effect of a vote against this proposal. Brokers have discretionary authority in the absence of timely instructions from their customers to vote on this proposal. As a result, there will be no broker non-votes with respect to this proposal.

*Approval of Name Change.* Approval of an amendment to our Amended and Restated Certificate of Incorporation to change the name of the Company to Liberty Energy Inc. requires the affirmative vote of the holders of at least 66 2/3% in voting power of the outstanding shares of Common Stock entitled to vote thereon. Abstentions will have the effect of a vote against this proposal, and broker non-votes are not counted as votes cast and will have no effect on the outcome of this proposal.

The Board recommends that you vote:

**FOR** the election of each of the three (3) Class III nominees to serve on our Board until the 2025 annual meeting or until their successors are duly elected and qualified;

**FOR** the approval of the compensation of our named executive officers as disclosed in this Proxy Statement;

**FOR** the ratification of Deloitte as our independent registered public accounting firm for the fiscal year ending December 31, 2022; and

**FOR** the approval of an amendment to our Amended and Restated Certificate of Incorporation to change the name of the Company to Liberty Energy Inc.

### **Revoking Your Proxy; Changing Your Vote**

If you are a stockholder of record, you may revoke your proxy before the vote is taken at the Annual Meeting by:

- signing, dating and delivering a new proxy with a later date before the applicable deadline to our Corporate Secretary;
- attending virtually and voting virtually online at the Annual Meeting; or
- filing a written revocation with our Corporate Secretary.

If your shares are held in “street name,” you may submit new voting instructions by contacting your broker or other organization holding your shares. You may also vote virtually online at the Annual Meeting, which will have the effect of revoking any previously submitted voting instructions, if you obtain a legal proxy from the organization that holds your shares.

Your last vote or proxy will be the vote or proxy that is counted. Your virtual attendance at the Annual Meeting will not automatically revoke your proxy.

### **Dissent and Appraisal Rights**

No action is proposed at the Annual Meeting for which the laws of the State of Delaware or other applicable law provides a right of our stockholders to dissent and obtain appraisal of or payment for such stockholders’ Common Stock.

### **Solicitation Costs**

The cost of preparing, assembling and mailing the proxy materials and of reimbursing brokers, nominees and fiduciaries for the out-of-pocket and clerical expenses of transmitting copies of the proxy materials to the beneficial owners of shares held of record by such persons, will be borne by the Company. The Company has retained D.F. King & Co., Inc. (“D.F. King”) to aid in the solicitation of proxies. It is estimated that the cost of D. F. King’s services will be approximately \$9,500 plus expenses. In addition to the solicitation of proxies by mail, proxies may also be solicited by telephone, electronic communication, or personal communication by employees of D.F. King and the Company.

### **Voting Results**

We will publish final results in a Current Report on Form 8-K to be filed with the SEC within four (4) business days following the Annual Meeting.

### **Management Q&A Session**

Stockholders of record who have registered with their voting control number will be able to submit questions for the Annual Meeting’s question and answer session during the meeting through <https://web.lumiagm.com/245867901> by referring to the “Chat Box” icon located at the top of the left-hand panel of their screen. For questions regarding the webcast please reach out to [IR@libertyfrac.com](mailto:IR@libertyfrac.com).

The proxies cannot be voted for a greater number of persons than the number of nominees named in this proxy statement. It is not expected that any nominee will be unable or will decline to serve as a director. Biographical information regarding each nominee is set forth below, as well as a summary of the experiences, qualifications, attributes or skills that caused the Board to determine that each nominee should serve as a director of the Company. ## THE BOARD AND ITS COMMITTEES

### THE BOARD

#### Composition of the Board

Our Board consists of nine members separated into three classes of directors, each as equal in number as possible, with each class serving staggered three-year terms.

In connection with the OneStim Acquisition, we entered into an amended and restated stockholders agreement. This amended and restated stockholders agreement provides Schlumberger with the right to designate (A) two nominees to our Board so long as they and their affiliates collectively beneficially own at least 20% of the outstanding shares of our Common Stock, and (B) one nominee to our Board so long as they and their affiliates collectively beneficially own at least 10% of the outstanding shares of our Common Stock. Pursuant to the amended and restated stockholders agreement, Schlumberger designated Mr. McDonald and Mr. Ayat as director nominees, each of whom is currently serving on our Board. For further information on the amended and restated stockholders agreement, see the section titled “*Related Party Transactions*” under the subtitle “*Amended and Restated Stockholders Agreement*.”

In evaluating director candidates, we, through the Nominating and Governance Committee of the Board (the “*Nominating and Governance Committee*”), review the following criteria when assessing director candidates:

- ✓ relevant skills, qualifications and experience;
- ✓ independence under applicable standards;
- ✓ qualifications to serve on Board committees and, as appropriate, serve as a committee chairperson;
- ✓ business judgment;
- ✓ service on boards of directors of other companies;
- ✓ personal and professional integrity;
- ✓ openness and willingness to work as part of a team;
- ✓ willingness to commit the required time to serve as a Board member; and
- ✓ familiarity with the Company and its industry.

#### Board Diversity and Summary of Director Core Skills

The diversity of experience and range of competencies, qualifications and viewpoints of each director on our Board embody key abilities that our Nominating and Governance Committee considers valuable to effective oversight of the Company. The Nominating and Governance Committee values diversity of thought in director candidates, and further believes that gender and ethnic diversity can be one way to accomplish diversity of thought while still maintaining a Board that is adequately qualified to discharge its duties. Presently, two of our nine Board members are female, and two of our Board members qualify as ethnically diverse.

We believe that our director nominees are able to provide a well-rounded set of expertise that will assist in effective oversight of management at the Company. The matrix below identifies the core skills, primary competencies and other attributes that each director brings forth in their service to our Board and committees. The lack of an indicator for a particular item does not mean that the director does not possess that qualification, skill or experience in general. The indicator merely represents a core skill that the director brings to our Board. Furthermore, each director possesses other competencies not identified below. We believe identifying primary skills is a more meaningful presentation of the key contributions and value that each director brings to their service on the Board and to our stockholders. For more information about each director, see the individual biographies set forth above.

### Board Leadership Structure and Role in Risk Oversight

Our Board does not have a policy regarding separation of the roles of Chief Executive Officer and Chairman of the Board. The Board believes it is in our best interests to make that determination based on circumstances from time to time. Currently, our Chief Executive Officer serves as the Chairman of the Board, and William F. Kimble, a non-employee independent director, serves as our Lead Director. As Lead Director, Mr. Kimble serves as a liaison between the Chairman and the non-management directors and presides at executive sessions of the non-management directors and any other Board meetings at which the Chairman is not present, among other responsibilities. Our Board believes that this structure, combined with our corporate governance policies and processes, creates an appropriate balance between strong and consistent leadership and independent oversight of our business. The Chairman chairs the meetings of our Board and stockholders, with input from the Lead Director, and as such, our Board believes that a person with comprehensive knowledge of the Company is in the best position to serve the role of Chairman.

Our Board believes its administration of its risk oversight function has not affected its leadership structure. Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks, including those described under “*Risk Factors*” in our Annual Report on Form 10-K for the year ended December 31, 2021. Our Board is actively involved in oversight of risks that could affect us. This oversight is conducted by the Board, which has responsibility for general oversight of risks, but the Audit Committee of the Board (the “*Audit Committee*”) assists the Board in fulfilling such oversight responsibilities. Risk assessment and oversight are an integral part of our governance and management processes. The Board encourages management to promote a culture that incorporates risk management into our corporate strategy and day-to-day business operations. Management discusses strategic and operational risks at regular management meetings and conducted a specific strategic session during the year that included a focused discussion and analysis of the risks facing us. Throughout the year, senior management reviews risks with the Board at regular Board meetings as part of management presentations that focus on the Company’s overall operations and presents the steps taken by management to mitigate or eliminate such risks.

The Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole. The Board is responsible for monitoring and assessing strategic risk exposure, and the Audit Committee assists the Board in fulfilling such oversight responsibilities by overseeing our major risk exposures and the steps our management has taken to monitor and control these exposures. The Audit Committee also monitors compliance with legal and regulatory requirements and considers and approves or disapproves any related-person transactions.

Our Board periodically review its governance and committee structure to ensure that it continues to meet the Company’s needs.

### Director Independence and Family Relationships

The Company’s standards for determining director independence require the assessment of directors’ independence each year. A director cannot be considered independent unless the Board affirmatively determines that he or she does not have any relationship with management or the Company that may interfere with the exercise of his or her independent judgment, including any of the relationships that would disqualify the director from being independent under the rules of the NYSE.

The Board has assessed the independence of each non-employee director under the independence standards of the NYSE. The Board has determined that each of Messrs. Ayat, Babcock, Dea, Kimble, McDonald and Steinbeck and Ms. Norton is considered independent under the NYSE rules. In connection with its assessment of the independence of each non-employee director, the Board also determined that Messrs. Ayat, Babcock, Dea, Kimble and Steinbeck and Ms. Norton are independent as defined in Section 10A-3 of the Securities Exchange Act of 1934, as amended (the “*Exchange Act*”) and under the standards set forth by the NYSE applicable to members of the Audit Committee. Furthermore, none of our directors or officers have any family relationship with any director or other officers. “Family relationship” for this purpose means any relationship by blood, marriage or adoption, not more remote than first cousin.

### Audit Committee

Rules implemented by the NYSE and the SEC require us to have an Audit Committee comprised of at least three (3) directors who meet the independence and experience standards established by the NYSE and the Exchange Act. Our Audit Committee currently consists of three (3) directors, all of whom are independent under the rules of the SEC and the standards set forth by the NYSE applicable to members of an Audit Committee. Messrs. Kimble and Steinbeck and Ms. Norton are the members of our Audit Committee with Mr. Kimble serving as the chairperson. Each member of our Audit Committee is financially literate, and our Board has determined that Mr. Kimble qualifies as an “audit committee financial expert” as defined in applicable SEC rules.

The Audit Committee oversees, reviews, acts on and reports on various auditing and accounting matters to our Board, including: the selection of our independent accountants, the scope of our annual audits, fees to be paid to the independent accountants, the performance of our independent accountants and our accounting practices. The general purpose of our Audit Committee is to assist the Board in oversight responsibilities regarding the integrity of the Company’s financial statements, compliance with legal and regulatory requirements, performance of the independent registered public accounting firm engaged by the Company and the effectiveness of the Company’s internal audit functions. The Audit Committee operates under an Audit Committee charter that defines the committee’s primary duties in a manner consistent with the rules of the SEC and NYSE. A current copy of the Audit Committee charter can be found on our website, [www.libertyfrac.com](http://www.libertyfrac.com), by first clicking “*Investors*” then “*Corporate Governance*” and proceeding to “*Governance Documents*.”

### Compensation Committee

Our Compensation Committee currently consists of three (3) directors: Messrs. Dea, Babcock and Steinbeck with Mr. Dea serving as the chairperson. Our Compensation Committee establishes salaries, incentives and other forms of compensation for officers and other employees. Our Compensation Committee also assists the Board with the administration and oversight of our incentive compensation and benefit plans. The Compensation Committee operates under a Compensation Committee charter that defines the committee’s primary duties. The Compensation Committee has the authority to delegate to its chairperson or any one of its members the responsibility and authority for any particular matter, as it deems appropriate from time to time under the circumstances. A current copy of the Compensation Committee charter can be found on our website, [www.libertyfrac.com](http://www.libertyfrac.com), by first clicking “*Investors*” then “*Corporate Governance*” and proceeding to “*Governance Documents*.”

The Board has determined that all directors on the Compensation Committee are independent under the standards set forth by the NYSE.

## Nominating and Governance Committee

Our Nominating and Governance Committee currently consists of three (3) directors: Ms. Norton and Messrs. Kimble and Dea with Ms. Norton serving as the chairperson. The Nominating and Governance Committee operates under a Nominating and Governance Committee charter that defines the committee's primary duties. A current copy of the Nominating and Governance Committee charter can be found on our website, [www.libertyfrac.com](http://www.libertyfrac.com), by first clicking "Investors" then "Corporate Governance" and proceeding to "Governance Documents."

Our Nominating and Governance Committee identifies, evaluates and recommends qualified nominees to serve on our Board, subject to the terms of the amended and restated stockholders agreement the Company has entered into with certain stockholders related to the appointment of directors. See "*Certain Relationships and Related Party Transactions—Related Party Transactions—Amended and Restated Stockholders Agreement*." Our Nominating and Governance Committee also develops and oversees our corporate governance processes, including the annual performance evaluation of the Board and its committees, and of management, and develops, reviews and recommends to the Board any changes to our Corporate Governance Guidelines and other applicable governance policies.

The Board and the Nominating Committee believe the skills, qualities, attributes, and experience of our directors provide our Company with business acumen and a diverse range of perspectives to effectively address our evolving needs and represent the best interests of our stockholders.

When identifying director nominees, the Nominating and Governance Committee considers and reviews the following criteria: the candidate's relevant skills, qualifications and experience; independence under applicable standards; qualifications to serve on Board committees and, as appropriate, serve as a committee chairperson; business judgement; service on boards of directors of other companies; personal and professional integrity; openness and ability to work as part of a team; willingness to commit to the required time to serve as a member of the Board; and familiarity with the Company and its industry. Additionally, when considering the recommendation to the Board that an existing director be nominated for election at the annual meeting of stockholders, the Nominating and Governance Committee will consider and review: the past Board and committee meeting attendance and performance, the length of Board service, the personal and professional integrity, the relevant experience, skills, qualifications and contributions that the existing director brings to the Board and the independence under the applicable standards.

The Nominating and Governance Committee will consider suggestions from any source, particularly from stockholders, regarding possible candidates for director; *provided, however*, that in order for such stockholder recommendation to be considered, the recommendations must comply with the procedures outlined under "*Stockholder Proposals*" below.

The Board has determined that all directors on the Nominating and Governance Committee are independent under the standards set forth by the NYSE.

## MEETING ATTENDANCE OF THE BOARD AND BOARD COMMITTEES

During 2021, the Board and its committees met on a set schedule, held special meetings, and acted by written consent from time to time, as appropriate, as reflected in the following table:

	Regularly Scheduled Meetings	Special Meetings	Total Meetings
Board of Directors	5	3	8
Audit Committee	8	1	9
Compensation Committee	4	1	5
Nominating and Governance Committee	2	1	3

At each Board meeting, time is reserved for the independent directors to meet in executive session without the Chief Executive Officer present. Furthermore, executive officers regularly attend Board meetings to present information to our Board on our business and strategy. From time to time between meetings, Board and committee members confer with each other and with management and independent consultants regarding relevant issues, and representatives of management may meet with such consultants on behalf of the relevant committee.

Each director participated, whether in person or by telephone, in at least seventy-five percent (75%) of all meetings of the Board and the committees of which such director is a member. During 2022, some of our directors recused themselves from special meetings of the Board due to potential conflicts of interest, and their recusal was not counted as an absence. There is no formal policy as to director attendance at the Annual Meeting, but our corporate governance guidelines encourage directors to attend. All members of our Board attended last year's annual stockholder meeting.

## ESG FOCUSED

While we recognize the various environmental and social impacts of hydrocarbon energy, we believe that access to life-enhancing modern energy presents the most pressing global energy challenge. We passionately work to better the process of bringing hydrocarbons to the surface in a clean, safe and efficient fashion and view ESG principles as foundational to our business. We focus on developing and adding technologies to our operations that assist our customers in implementing their ESG goals. The list below sets forth specific examples of our efforts towards ESG principles:

- ◆ In 2013, we introduced Tier II dual-fuel technology to our fleets which allows our frac pumps to use natural gas in place of some diesel fuel to lower particulate emissions.
- ◆ In 2014, we began the use of containerized sand delivery at frac locations, which reduces dust, noise and truck traffic.
- ◆ In 2016, we introduced Quiet Fleet® technology, which significantly reduces noise levels associated with frac operations.
- ◆ In 2018, we began a partnership with an equipment supplier to introduce Tier IV dynamic gas blending, or DGB, engines to our frac fleet that can substitute up to 80% of the diesel typically used by a frac pump with natural gas and significantly lower emission levels in frac operations. Tier IV DGB engines were added to our fleet in 2020.
- ◆ In 2021, we announced the successful test of digiFrac™, our innovative, purpose-built electric frac pump that has approximately a 25% lower CO2e emission profile than the Tier IV DGB. We have entered into two multi-year arrangements with customers for digiFrac fleets and expect to deliver the first fleet into commercial service in 2022.
- ◆ In October 2021, we closed the acquisition of PropX, which offers innovative, environmentally friendly technology with optimized dry and wet sand containers and wellsite proppant handling equipment that drive logistics efficiency and reduce noise and emissions.

Furthermore, we are continuously committed to engagement in our communities. We provide K-12 scholarships to low-income children through ACE (Alliance for Choice in Education) and we have launched a Liberty Scholars program at Montana Technological University to enable lower income students to obtain a college engineering education. In 2021, over 100 students received Liberty scholarships. We have numerous other efforts targeting schools, veterans, poverty abatement, low-income housing, criminal justice reform and job opportunities for those who had a disadvantaged start in life. In 2021, we launched Love, Liberty, our matching program that is aimed to encourage our employees to get involved in their communities.

## CORPORATE CODE OF BUSINESS CONDUCT AND ETHICS

Our Board has adopted a Corporate Code of Business Conduct and Ethics (the “*Ethics Code*”) applicable to our employees, directors and officers, in accordance with applicable U.S. federal securities laws and the corporate governance rules of the NYSE. Any waiver of the Ethics Code may be made only by our Board or a Board committee and will be promptly disclosed as required by applicable SEC laws and the corporate governance rules of the NYSE. A current copy of the Ethics Code can be found on our website, [www.libertyfrac.com](http://www.libertyfrac.com), by first clicking “*Investors*” then “*Corporate Governance*” and proceeding to “*Governance Documents*,” and is available in print to any stockholder who requests it. We intend to post any waiver of our Ethics Code or substantive amendments to the Ethics Code to this website.

## CORPORATE GOVERNANCE GUIDELINES

Our Board has adopted Corporate Governance Guidelines (the “*Governance Guidelines*”) in accordance with the corporate governance rules of the NYSE that serve as a framework within which our Board and committees operate. These guidelines cover matters including, but not limited to, the composition of our Board, Board membership criteria and qualifications, director responsibilities, meetings of the Board and non-management directors, Board committees, director access to management and independent advisors, director compensation, and evaluation of management and management succession planning. A current copy of our Governance Guidelines can be found on our website, [www.libertyfrac.com](http://www.libertyfrac.com), by first clicking “*Investors*” then “*Corporate Governance*” and proceeding to “*Governance Documents*,” and is available in print to any stockholder who requests it.

## COMPENSATION DISCUSSION & ANALYSIS

This Compensation Discussion & Analysis provides information about our rationale and policies with regard to the compensation of our principal executive officer, principal financial officer and our three other most highly-compensated executive officers (our “*Named Executive Officers*”) for 2021 and is intended to provide investors with the material information necessary for understanding our compensation policies and decisions regarding our Named Executive Officers as well as providing context for the tabular disclosure provided in the executive compensation tables below. Our Named Executive Officers for 2021 include:

Name	Title
Christopher A. Wright	Chairman of the Board and Chief Executive Officer
Michael Stock	Chief Financial Officer and Treasurer
Ron Gusek	President
R. Sean Elliott	Vice President, General Counsel and Corporate Secretary
Ryan T. Gosney	Chief Accounting Officer

### 2021 Compensation Overview

Effective January 1, 2021, in light of improving business conditions, base salaries for our Named Executive Officers returned to the levels established in January 2019 after the COVID-19 pandemic related salary reductions throughout the prior year. The Compensation Committee recommended, and the Board approved, the following compensation-related actions for our Named Executive Officers for fiscal year 2021, further detailed below:

- *Base Salaries:* The 2021 base salaries for each Named Executive Officer were returned to the levels established in January 2019.
- *Annual Incentive Awards:* After initially suspending annual incentive awards through June 2021, targets were reinstated in July using the same performance metrics used for 2019.
- *Long-Term Incentive Compensation:* The long-term incentive compensation included both time-based awards, vesting ratably over a three-year period, and performance-based awards, with three-year cliff vesting.

### 2021 Say on Pay

At our 2021 annual meeting of stockholders, our stockholders were asked to approve, on a non-binding, advisory basis, the compensation of our Named Executive Officers, as reported in our 2021 proxy statement (“*Say on Pay*”). In 2021, our stockholders overwhelmingly approved the compensation of our Named Executive Officers, with over 99% of the votes cast in favor of such practices. The Compensation Committee and the Board viewed the results of the Say on Pay vote and, given the strong stockholder support for the compensation of our Named Executive Officers in 2021, believe that no significant changes to our compensation program were warranted as a result of this vote. As discussed in more detail in “*Proposal 2: Advisory Vote to Approve the Compensation of the Company’s Named Executive Officers,*” the Board has recommended that stockholders vote, on a non-binding advisory basis, to approve the compensation of our Named Executive Officers, as described below.

### Compensation Best Practices

The Company’s compensation program has been designed to support a strong governance model. Key elements of the program in support of this objective are set forth in the chart below:

What We Do	What We Don’t Do
✓ Determine annual incentive compensation with the majority of the potential payment based upon the achievement of pre-established performance goals	x No excise tax gross ups
✓ Generally target the market median for total compensation	x No single-trigger severance No excessive perquisites
✓ Use an independent compensation consultant	x No short-term or speculative trading of Company stock
✓ Hold regular executive sessions of the Compensation Committee without management present	x No re-pricing of incentive awards
✓ Base a portion of the long-term incentives upon our performance relative to peers	x No supplemental retirement plans
	x No guaranteed bonuses or uncapped incentives

## Process for Setting Compensation and Role of Compensation Consultant

At the beginning of each year, the Compensation Committee engages an independent executive compensation consulting firm in order to provide independent and objective market compensation data, conduct compensation analysis, recommend plan design changes and advise on compensation related risks. The Compensation Consultant (as defined below) acts solely at the direction of the Compensation Committee and not at the direction of the Company's management team. During 2021, the Compensation Committee engaged Longnecker and Associates (now known as NFP Compensation Consulting) as such compensation consultant (the "*Compensation Consultant*"). The Compensation Consultant compiles compensation surveys for review by the Compensation Committee and management. After review of the Compensation Consultant's surveys, management provides recommendations of compensation for our Named Executive Officers to the Compensation Committee. Such recommendations are generally based upon the guidance of the Compensation Consultant and the performance of our management as a team. The Compensation Committee then reviews management's recommendation with the ability to ask questions of both management and the Compensation Consultant and may conduct an executive session as needed to discuss compensation. Previously, the Compensation Committee and Board collectively have had the final authority to make all decisions regarding compensation. At the Board meeting in January 2022, the Board approved amendments to the Compensation Committee charter which now permit the Compensation Committee to making recurring and other compensation decisions without separate Board approval, providing the Compensation Committee with additional autonomy.

The Compensation Consultant also assists the Compensation Committee with the determination of our Peer Group, as described below, and design of our annual incentive program and long-term incentive awards. Using the independence factors established by the SEC and the NYSE, the Compensation Committee determined that the Compensation Consultant's work did not raise any conflicts of interest, and they are considered an independent consulting firm.

## Competitive Market Position and Peer Group

To further emphasize the alignment between Company performance and executive pay and to ensure compensation is competitive, for 2021 the Compensation Committee targeted the 50<sup>th</sup> percentile for total compensation (base salary and short-term and long-term incentives) for the named executive officers as a group, as reflected by various sources of compensation data (collectively, "*Market Data*"). As further explained below, in 2021, actual compensation amounts were impacted by the specific performance goals selected for annual incentives and the use of additional long-term incentives to reward selected Named Executive Officers for their efforts in completing a strategic acquisition. The Market Data provided to the Compensation Committee by the Compensation Consultant includes compensation information from our Peer Group (as defined below) as well as other broad-based compensation survey sources selected by the Compensation Consultant. Although the Compensation Committee used the Market Data to inform its decisions regarding the form and amount of compensation provided to our Named Executive Officers in 2021, the Compensation Committee also considered other factors such that the compensation provided to our Named Executive Officers is not exclusively reflective of the Market Data.

For purposes of setting 2021 compensation, the peer group companies (our "*Peer Group*") used by the Compensation Consultant and the Compensation Committee included the following companies:

Core Laboratories N.V.	Helmerich & Payne, Inc.
Patterson-UTI Energy, Inc.	ChampionX Corporation
NexTier Oilfield Solutions Inc.	Exterran Corporation
Cactus, Inc.	ProPetro Holding Corp.
Archrock, Inc.	

Our Peer Group was selected based on companies that broadly represent related drilling and oilfield services businesses and are of reasonably comparable revenue size to the Company. While some of these companies have larger market capitalizations, these companies represent the market in which we most directly compete for qualified professionals. As a whole, our Peer Group reflects companies with related operations, of reasonably similar size, and with which we compete for talent.

## Objectives of Compensation

The goal of the Company's compensation program is to help attract and retain qualified executive talent and to strengthen the alignment between executives and stockholders' interests, enhancing stockholder value. To achieve this goal, the Compensation Committee's decisions are guided by the following principles: provide a competitive compensation package; relate compensation to the performance of the Company and the individual; and align employee objectives with the objectives of stockholders by encouraging executive stock ownership.

In order to achieve these objectives, the Compensation Committee has created a compensation package that combines current and deferred cash compensation with equity-based compensation. The Company’s compensation program for executive officers consists of the following items:

- \* base salary;
- \* performance-based annual incentive payments under the Liberty Oilfield Services Inc. Long Term Incentive Plan (“LTIP”), which in 2021 were based upon the Company’s adjusted pre-tax earnings per share (“Adjusted Pre-Tax EPS”), return on capital employed (“ROCE”), the Company’s adjusted ROCE (ROCE revised to a standardized calculation as described herein) (“Adjusted ROCE”) as compared to the Adjusted ROCE of a peer group of companies (such comparison, “Comparative ROCE”) and personal performance;
- \* long-term equity awards under our LTIP, consisting of both time-based and performance-based restricted stock units; and
- \* matching and discretionary contributions under the Liberty Oilfield Services 401(k) Savings Plan.

The Compensation Committee structures executive total direct compensation to emphasize performance through the annual incentive program and long-term incentives. The Compensation Committee believes that the compensation mix should strike a balance promoting long-term returns without motivating or rewarding excessive or inappropriate risk-taking.

## Elements of Compensation

### 2021 Pay Mix

Our compensation program is designed so that the higher an executive’s position in the Company, the greater the percentage of compensation is contingent on the Company’s performance. The Company believes that having a significant portion of our Named Executive Officers’ compensation at risk better aligns their interests with the long-term interests of the Company and its stockholders. A majority of our Named Executive Officers total target direct compensation for fiscal year 2021 was variable, at approximately 88% for our Chief Executive Officer and averaging 84% for our other Named Executive Officers. The following charts illustrate the total target mix of direct compensation for our Named Executive Officers for fiscal year 2021.

### Base Salary

Each Named Executive Officer's base salary is a fixed component of compensation for performing specific job duties and functions. At the request of our Named Executive Officers, extensive reductions were made to base salaries in 2020 in light of marketplace conditions, including a cancellation of a previously approved 2% raise in March 2020 and a 30% reduction of existing base salaries, followed by a further 50% reduction from the reduced amount in April 2020 for May, June and July of 2020. In 2021, based on the analysis provided by the Compensation Consultant and the recommendation of the Compensation Committee, the Board reestablished the base salaries of our Named Executive Officers that were in effect pre-COVID-19 pandemic at the start of 2020, as last increased in January 2019. Specifically, the adjusted base salaries for each Named Executive Officer are as follows for 2021:

Name	2021 Base Salary	Increase over 2019 Base Salary
Christopher A. Wright	\$612,000	0%
Michael Stock	\$408,000	0%
Ron Gusek	\$408,000	0%
R. Sean Elliott	\$367,200	0%
Ryan T. Gosney	\$275,400	0%

### Annual Incentive Award

Given marketplace conditions at the start of 2021, our Named Executive Officers voluntarily requested a suspension of the annual incentive awards. In July 2021, based on the analysis provided by the Compensation Consultant and the recommendation of the Compensation Committee, the Board established performance metrics and hurdles for our 2021 annual incentive awards that are focused on the results of Adjusted Pre-Tax EPS, ROCE and Comparative ROCE. At the suggestion of our Named Executive Officers, the 2021 thresholds used for Adjusted Pre-Tax EPS and ROCE, which account for 50% of the annual incentive opportunity, were set at a level that would require extraordinary performance in order to result in any payout. The Compensation Committee agreed with this approach in 2021 since the intention was for the annual incentive program to be suspended for one-half of the year, and absent extraordinary performance, these thresholds would result in only 50% of the target incentive amount being available for payment.

The Compensation Consultant and Compensation Committee recommended, and the Board approved, maintaining an element of discretion in the annual incentive for our Named Executive Officers in order to provide the Compensation Committee and the Board the flexibility to respond to specific events that are relevant to each Named Executive Officer's performance during the year. No payout percentage would be earned for a metric if the actual Company performance of that metric was below the threshold level set for that metric below. Payouts for performance between threshold, target and maximum would have been calculated using straight line interpolation. The overall payout amount for each Named Executive Officer is capped at 200% of each Named Executive Officer's target incentive award. The performance metrics, their related thresholds and weightings and actual performance for the year ended December 31, 2021 are set forth in the table below:

Performance Metric	Weighting	Threshold (50% Payout)	Target (100% Payout)	Maximum (200% Payout)	Actual Performance	Earned Payout Percentage of Annual Incentive Award
Adjusted Pre-Tax EPS <sup>(1)</sup>	25%	\$0.00	\$0.24	\$0.47	\$-0.86	0%
ROCE <sup>(2)</sup>	25%	0%	4%	8%	-10.2%	0%
Comparative ROCE <sup>(3)</sup>	30%	See Comparative ROCE Chart below			9 of 10 <sup>(4)</sup>	0%
Discretionary	20%	N/A	N/A	N/A	Variable	Variable

- (1) Adjusted Pre-Tax EPS is equal to the Company's 2021 Adjusted EBITDA (calculated as presented in the Company's Annual Report on Form 10-K), *minus* interest expense, depreciation and amortization, *divided by* diluted weighted average shares outstanding (including Class B Common Stock shares and RSUs excluded from diluted EPS and excluding the dilutive impact of restricted stock units not outstanding at the beginning of 2021) for 2021.
- (2) ROCE is equal to the Company's 2021 Adjusted EBITDA (calculated as presented in the Company's Annual Report on Form 10-K), *minus* depreciation and amortization, *divided by* the simple average of capital (debt and equity) employed at December 31, 2021 and 2020.
- (3) Comparative ROCE is determined by comparing the Company's Adjusted ROCE, which is equal to the Company's 2021 pre-tax income, *plus* interest expense and stock based compensation expense, and ranking it against the Adjusted ROCE of the 2021 peer group, as further detailed below.
- (4) Comparative ROCE Peer Group data estimated on a consistent basis with Company and based on public data as of March 1, 2022.

In 2021, our Named Executive Officers worked tirelessly to rebuild from 2020 despite a persisting challenging market while also coordinating the integration efforts related to OneStim Acquisition. Given this performance, the Compensation Committee recommended that all Named Executive Officers receive a 40% payout on account discretionary incentive opportunity, other than Messrs. Wright and Stock. Messrs. Wright and Stock voluntarily requested, and the Compensation Committee approved, a target or 20% payout of their discretionary incentive opportunity instead of 40%.

The target incentive for each Named Executive Officer and the 2021 annual incentive payout for each Named Executive Officer is set forth below:

Name	Target Annual Incentive (% of Base Salary)	Target Annual Incentive (\$)	Performance Achievement Level (% of Target)	Actual 2021 Annual Incentive Payout
Christopher A. Wright	147.1%	\$900,000	20%	\$180,000
Michael Stock	122.5%	\$500,000	20%	\$100,000
Ron Gusek	122.5%	\$500,000	40%	\$200,000
R. Sean Elliott	98.0%	\$360,000	40%	\$144,000
Ryan T. Gosney	73.5%	\$202,500	40%	\$81,000

Comparative ROCE is determined by comparing and ranking the Company's Adjusted ROCE against the Adjusted ROCEs of a group of peer companies (such peer group, the "ROCE Peer Group"). Our Adjusted ROCE and the ROCE Peer Group Adjusted ROCEs for a calendar year are calculated and then ranked in order of highest to lowest, with the highest Adjusted ROCE being ranked 1 of 10, and the lowest Adjusted ROCE ranked 10 of 10. The amount of the target award paid for this metric is then based on our numerical ranking against the ROCE Peer Group as follows, with the use of linear interpolation to determine the exact amount of payout (the "ROCE Ranking Matrix"):

Comparative ROCE	
Ranking of Company Adjusted ROCE against ROCE Peer Group	Payout Percentage of Target Award
1 of 10	200%
2 of 10	175%
3 of 10	150%
4 of 10	125%
5 of 10	100%
6 of 10	75%
7 of 10	50%
8 of 10	0%
9 of 10	0%
10 of 10	0%

The ROCE Peer Group is reviewed and set each year, provided that the Compensation Committee reserves the right to recommend, and the Board to make, substitutions and revisions to the ROCE Peer Group throughout the year. While some companies in the ROCE Peer Group may overlap with companies in Peer Group, the focus of the ROCE Peer Group is to provide a metric by which the effectiveness of capital deployment can be measured. Accordingly, the ROCE Peer Group focuses more particularly on other companies that have capital needs that are similar to those of the Company. The Peer Group tends to focus and include companies based on the relative size of the peers based on metrics such as revenue and market capitalization. The ROCE Peer Group also utilizes the S&P 500 to provide a broader measure of the effectiveness of deployment of capital across various industries. The 2021 ROCE Peer Group consists of the following companies:

Helmerich & Payne, Inc.	NexTier Oilfield Solutions Inc.
Oil States International, Inc.	Patterson-UTI Energy, Inc.
ProPetro Holding Corp.	RPC, Inc.
S&P 500	Nine Energy Service, Inc.
Halliburton Company	

Our Company Adjusted ROCE for 2021 was -10.3%, which ranked 9 of 10 against the ROCE Peer Group for 2021 based on public data as of March 1, 2022, resulting in a weighted payout percentage for the Comparative ROCE component of the annual incentive award equal to 0%.

### ***Long-Term Incentive Compensation***

We maintain the LTIP in order to incentivize individuals providing services to us or our affiliates. In 2021, following recommendations by the Compensation Consultant and our Compensation Committee, our Board granted both time-based and performance-based restricted stock units (“RSUs”), each which represent the right to receive shares of our Class A Common Stock following the applicable vesting period. The Compensation Committee has considered the use of other forms of equity awards, including restricted stock and stock options, and ultimately determined to use RSUs given that they have a less dilutive effect than stock options and do not require the issuance of actual shares of Class A Common Stock unless and until vesting conditions are met. For 2021, the grant date value of RSUs for the Named Executive Officers as a group was initially set at approximately the 50<sup>th</sup> percentile based on Market Data. The Compensation Committee and our Board determined that a combination of time-based and a performance-based vesting approach was appropriate given the Company’s desire to provide our Named Executive Officers with a long-term retention-focused award that also aligns the interests of our Named Executive Officers with those of our stockholders while at the same time furthering the Company’s pay-for-performance philosophy.

In 2021, the Compensation Committee recognized that while all the Named Executive Officers made important contributions to the negotiation and successful closing of the OneStim Acquisition, Messrs. Elliott and Gosney, in particular, devoted substantial time, effort and leadership in order to complete the transaction. On the recommendations of other members of management and the Compensation Consultant, the Committee approved a one-time increase in the 2021 RSU awards for Messrs. Elliott and Gosney that resulted in the grant date value of their award being set at approximately the 75<sup>th</sup> percentile for their position based on Market Data, with the increased amount of their 2021 award being made in performance-based RSUs with three-year cliff vesting.

For 2021, one-half of the RSUs awarded to Messrs. Wright, Stock and Gusek vest ratably over a three-year period, and one-half vests at the end of a three-year performance period based on the Company’s performance against its peers. Messrs. Elliott and Gosney received RSU awards with similar time and performance-based vesting conditions for 2021, except that in light of the one-time increase mentioned above, approximately 42% of these awards was time-based, and 58% was performance based. In 2019 and 2020, the mix for the RSU awards made to Messrs. Elliott and Gosney was 67% time-based and 33% performance-based.

Performance-based RSUs provide the Named Executive Officer the right to receive an amount ranging from 0% to 200% of the target performance-based RSUs granted based on the Company’s Comparative ROCE performance during the three-year performance period, subject to the continued employment of the Named Executive Officer. To determine the Company’s Comparative ROCE, Adjusted ROCE will be calculated for the Company and each entity in the ROCE Peer Group, as described above under “*Elements of Compensation—Annual Incentive Award*,” for each applicable year. After the end of the three-year performance period, the Adjusted ROCE calculations of each entity for each year shall be averaged in order to obtain an average Adjusted ROCE calculation for the entire three-year period. The entities in the ROCE Peer Group will be arranged (highest to lowest) by their averaged Adjusted ROCE, excluding the Company. The Company’s percentile rank will be interpolated between the entity with the next highest average Adjusted ROCE and the entity with the next lowest average Adjusted ROCE. The Company’s percentile rank will then be used to determine the payout percentage of the target performance-based RSU by using the ROCE Ranking Matrix set forth above. The chart below shows the Company’s Comparative ROCE rank for 2019, 2020 and 2021, resulting in an award payout of 134% of target for the performance-based RSUs that were awarded to Named Executive Officers in January 2019 and vest on April 1, 2022:

Year	Company Adjusted ROCE Percentage	Ranking of Company Adjusted ROCE against ROCE Peer Group
2019	13.5%	2 of 10
2020	-13.9%	3 of 10
2021	-10.3%	9 of 10
<b>3 year average</b>	<b>-3.6%</b>	<b>4 of 10</b>

### ***Employment, Severance and Change in Control Agreements***

The Company has entered into a change in control agreement with each of Mr. Elliott and Mr. Gosney (the “*Change in Control Agreements*”). No such change of control agreements have been entered into with the Company’s other executive officers, as the value of the vested equity interests in the Company that such officers acquired prior to the time of the IPO would likely provide adequate benefits in the event of a change in control transaction.

Each Change in Control Agreement provides severance benefits in the event the executive officer’s employment is terminated without cause or the executive officer resigns for good reason within 18 months following a change in control, as described in more detail below under “*Potential Payments Upon Termination or Change in Control—Change in Control Agreements*.” The benefits provided to the executive officer in the Change in Control Agreements were primarily based on the recommendation of the Compensation Consultant and Peer Group median data provided at the time the Change in Control Agreements were executed.

We have not entered into any other employment, severance or change in control agreements with any of our Named Executive Officers.

### ***Other Compensation Elements***

*401(k) Plan.* We currently maintain a retirement plan intended to provide benefits under Section 401(k) of the Internal Revenue Code of 1986, as amended (the “Code”) under which employees, including our Named Executive Officers, are allowed to contribute portions of their base compensation to a tax-qualified retirement account under the Liberty Oilfield Services 401(k) Savings Plan. We provide matching contributions at a rate of \$1.00 for each \$1.00 of employee contribution, subject to a cap of the lower of (i) 6% of the employee’s salary and (ii) the applicable contribution limits under the Code.

*Pension and Nonqualified Deferred Compensation.* We have not maintained, and do not currently maintain, a defined benefit pension plan or nonqualified deferred compensation plan.

*Perquisites and Other Benefits.* We provide limited perquisites to our Named Executive Officers. For example, none of our Named Executive Officers receive car allowances.

*Anti-Hedging and Pledging Policy.* Our Insider Trading Policy generally prohibits our directors, employees and officers from hedging and pledging of Company securities by providing that hedging or monetization transactions, whether direct or indirect, involving the Company’s securities and the pledging of Company securities as collateral are prohibited. Short term exceptions to this prohibition (such as temporary margin loans) may be granted depending on specific facts and circumstances. Any exceptions for our directors and officers must be granted by our Audit Committee and will be periodically communicated to the Board. The policy also prohibits transactions involving Company-based derivative securities.

### **Risk Assessment**

The Compensation Committee reviewed our employee compensation practices and policies and determined that such policies do not encourage excessive or unnecessary risk-taking, and are not likely to have a material adverse effect on the Company.

- (1) The amounts reported in the “Non-Equity Incentive Plan Compensation” columns reflect the portion of the annual incentive payouts related to achievement of the Company-wide performance metrics. The portion of the annual incentive payouts related to the discretionary component are reported in the “Bonus” column.
- (2) The amounts shown do not reflect compensation actually received by the Named Executive Officer. Rather, amounts set forth in the “Stock Awards” column represent the aggregate grant date fair value of time-based and performance-based restricted stock unit awards computed in accordance with FASB ASC Topic 718 for financial statement reporting purposes by the Company with respect to restricted stock units. A discussion of the assumptions used in this valuation with respect to awards made in fiscal year 2021 may be found in Note 10 to the Company’s financial statements contained in the Company’s Annual Report on Form 10-K for the year ended December 31, 2021. Performance-based awards are included based on the assumption that they will vest at 100% of the target award, since actual vesting will not be determined until the end of the performance period. The Class A Common Stock that certain of the Named Executive Officers received at the time of the IPO in exchange for their Class B Units in Liberty Holdings have not been included in this column, as there was no grant date fair value or incremental fair value associated with the exchange for accounting purposes in 2018.
- (3) For the Named Executive Officers, amounts reported in the “All Other Compensation” column for 2021 reflect discretionary matching contributions earned by each Named Executive Officer pursuant to the Company’s 401(k) plan.

## Outstanding Equity Awards at 2021 Fiscal Year-End

### Pension Benefits and Nonqualified Deferred Compensation

### Potential Payments Upon Termination or Change in Control

#### *Change in Control Agreements*

The Company has entered into Change in Control Agreements with each of Mr. Elliott and Mr. Gosney. For further detail on the Company's decision to enter into Change in Control Agreements with these Named Executive Officers, see the section titled "*Employment, Severance and Change in Control Agreements*" contained in the Compensation Discussion & Analysis section set forth herein. Each Change in Control Agreement provides that if the Named Executive Officer's employment is terminated without "cause" or the Named Executive Officer resigns for "good reason" within 18 months following a "change in control," the Named Executive Officer will be entitled to receive, subject to such Named Executive Officer's timely execution and non-revocation of a release of claims in favor of the Company: (i) two times the sum of (a) the Named Executive Officer's annualized base salary for the year in which the termination occurs (or, if greater, that in effect immediately preceding the change in control) plus (b) an amount equal to the higher of (1) the Named Executive Officer's target annual bonus for year in which the termination occurs or (2) the average of the Named Executive Officer's target annual bonus for the three most recently completed calendar years; (ii) a pro-rated portion of the Named Executive Officer's target annual bonus for the calendar year in which the termination occurs; (iii) reimbursement for a portion of the COBRA premiums paid by the executive for continued coverage under the Company's group health plans for up to 18 months plus a lump sum cash payment equal to six times such monthly amount; and (iv) vesting of all outstanding time-based and performance-based equity awards granted pursuant to any Company long term incentive plan as of the date of termination, with such performance-based equity awards being vested at the higher of target performance or actual performance through the termination date.

For purposes of the Change in Control Agreements, the following terms generally have the meanings set forth below:

- "*Cause*" generally means the Named Executive Officer's (i) material breach of the Change in Control Agreement or any other agreement with the Company, (ii) material breach of any policy or code of conduct, (iii) violation of any law applicable to the workplace or employment relationship that is materially injurious to the Company, (iv) gross negligence, willful misconduct or willful breach of fiduciary duty, fraud, theft or embezzlement, (v) conviction or indictment, or plea of nolo contendere, to any felony or conviction or plea of nolo contendere to any crime involving moral turpitude, or (vi) willful failure or refusal to substantially perform such Named Executive Officer's obligations or to follow in any material respect any specific lawful direction from the Company. Clauses (i), (ii), (iii) and (vi) are subject to certain notice and cure rights.

- “*Change in Control*” generally means (i) a change in the ownership of the Company, (ii) a change in the effective control of the Company, or (iii) a change in the ownership of a substantial portion of the Company’s assets, in each case, as such phrases are defined under the Treasury regulations promulgated pursuant to Section 409A of the Code.
- “*Good Reason*” generally means (i) a material diminution in the Named Executive Officer’s total cash compensation, (ii) a material diminution in the Named Executive Officer’s authority, duties or responsibilities as a whole, (iii) a geographic relocation by more than 50 miles, (iv) a material breach by the Company of the Change in Control Agreement or any other agreement between the Named Executive Officer and the Company, or (v) a failure to timely pay or provide any material payment, benefit or other consideration or compensation owed to the Named Executive Officer, in each case, subject to certain notice and cure rights.

### RSU Awards

The RSUs held by our Named Executive Officers under the LTIP will accelerate and become 100% vested upon a termination of the Named Executive Officer’s employment with the Company due to the Named Executive Officer’s death or “disability.” For RSUs that use performance-based vesting, the award will remain outstanding and eligible to be earned based on the Company’s achievement of the applicable performance metrics at the end of the performance period. For purposes of the RSU awards, “disability” means the Named Executive Officer’s inability to perform his duties, after accounting for reasonable accommodation, due to a mental or physical impairment that continues (or can reasonably be expected to continue) for (i) 90 consecutive days or (ii) 180 days out of any 365-day period, which, in either case, shall only be deemed to occur following the written determination by the Company of any such occurrence of disability.

The table below describes and estimates the amounts and benefits each Named Executive Officer would have been eligible to receive upon a termination of his employment in certain circumstances or a change in control, assuming such events occurred as of December 31, 2021, the last day of fiscal year 2021. The estimated payments are not necessarily indicative of the actual amounts such executive would have received in such circumstances, as such amounts could not be known with certainty until the applicable event occurred. The table excludes compensation amounts accrued through December 31, 2021 that would be paid in the normal course of continued employment, such as accrued but unpaid salary and vested account balances under our retirement plans that are generally available to all of our salaried employees. Where applicable, the information in the table uses a price per share for our Common Stock of \$9.70, the closing price on December 31, 2021 (the “*Year-End Closing Price*”). Generally, payment of severance benefits to a Named Executive Officer following termination of employment is subject to such officer’s timely execution and non-revocation of a release of claims in favor of the Company.

(3) The amounts reported in these rows are calculated based on the premiums in effect as of December 2021, which are assumed for purposes of this table to remain the same throughout the applicable benefit reimbursement period.

## DIRECTOR COMPENSATION

We have adopted a non-employee director compensation program that is applicable to each of our non-employee directors. The Compensation Consultant also conducted an analysis of market-competitive total director compensation (annual retainers, meeting fees and equity awards) using our Peer Group as a comparative metric. Pursuant to this program, during 2021 each non-employee director was entitled to receive the following compensation for their service on our Board:

- \* A cash retainer of \$65,000 per year, payable quarterly in arrears;
- \* An additional cash retainer of \$20,000 per year, payable quarterly in arrears if such non-employee director serves as the chairperson of our Audit Committee;
- \* An additional cash retainer of \$15,000 per year, payable quarterly in arrears if such non-employee director serves as the chairperson of our Compensation Committee;
- \* An additional cash retainer of \$10,000 per year, payable quarterly in arrears if such non-employee director serves as the chairperson of a Nominating and Governance Committee;
- \* An additional cash retainer of \$20,000 per year, payable quarterly in arrears if such non-employee director serves as the Lead Director of the Company;
- \* An additional payment of \$1,500 for each Board meeting attended in-person by such non-employee director; and
- \* Either:
  - (a) annual equity based compensation in the form of RSUs with an aggregate grant date value of \$150,000, subject to the terms of the LTIP and the award agreement pursuant to which such award is granted. The award shall be subject to a 12-month vesting period, unless otherwise determined by the Board. The annual grant shall be made automatically on January 2<sup>nd</sup> of each year, using the 30-day average closing price of the Company's Class A Common Stock prior to the date of grant to determine the number of units to be granted;
  - (b) an additional cash payment of \$100,000 per year, payable quarterly in arrears; or
  - (c) A charitable cash donation by the Company of \$100,000 per year, payable quarterly in arrears, to an organization designated by the director and that is qualified under Section 501(c)(3) of the Internal Revenue Code, provided that the organization must be independent of the director and reasonably acceptable to the Compensation Committee.

Effective as of January 1, 2022, our non-employee director compensation program was updated to remove the additional payment of \$1,500 for each Board meeting attended in-person and increase the annual cash retainer from \$65,000 to \$80,000. This change was made by the Board in October 2021 in response to a recommendation from the Compensation Committee and the Compensation Consultant in order to better align with marketplace practices.

Each non-employee director shall be given an opportunity to elect whether they would like to receive item (a), (b) or (c) above prior to the beginning of each year. If a non-employee director joins the Board or otherwise becomes eligible for director compensation during the course of a calendar year, the director will be allowed to make such election upon joining or becoming eligible. If a non-employee director joins the Board during the course of a calendar year, the director will be entitled to receive a prorated RSU award (if so elected) for that year, which shall vest over the remaining portion of the year, unless otherwise determined by the Board. All annual cash payments shall be prorated for partial years of service or eligibility.

In addition, each non-employee director will be reimbursed for out-of-pocket expenses incurred in connection with attending Board and committee meetings.

The table below sets forth the compensation our non-employee directors received for the fiscal year ended December 31, 2021.

(3) This column reflects the total number of shares of Class A Common Stock remaining available for issuance under the LTIP.

Our only equity compensation plan is the LTIP. The LTIP was approved prior to our IPO but has not been approved by our public stockholders. Please read Note 10 to the Company’s financial statements contained in the Company’s Annual Report on Form 10-K for the year ended December 31, 2021 for a description of our equity compensation plans. In addition, a detailed description of the terms of the LTIP is available in our registration statement on Form S-1, last filed on January 2, 2018, under the heading “*Executive Compensation—Actions Taken Following Fiscal Year End—Long-Term Incentive Plan.*”

## CEO PAY RATIO

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of Regulation S-K, we are providing the following information about the relationship of the annual total compensation of our employees and the annual total compensation of Christopher A. Wright, our Chief Executive Officer (our “CEO”).

For 2021, our last completed fiscal year:

- \* The total compensation of our median employee was \$95,884, as calculated pursuant to the same methodology as that used to determine pay for our CEO in the Summary Compensation Table included above; and
- \* The total compensation of our CEO, as reported in the Summary Compensation Table included above, was \$4,611,372.
- \* Based on this information, for 2021 the ratio of the total compensation of our CEO to the median employee total compensation was reasonably estimated to be 48 to 1.

The pay ratio set forth above is a reasonable estimate calculated in a manner consistent with SEC rules based on our human resources systems of record and the methodology described below. Because the SEC rules for identifying the median employee and calculating the pay ratio based on that employee’s annual total compensation allow companies to adopt a variety of methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect their compensation practices, the pay ratio reported by other companies may not be comparable to the pay ratio that we report above, as other companies may have different employment and compensation practices, different types of workforce, and operate in different countries, and may use different methodologies, exclusions, estimates and assumptions in calculating their own pay ratios. To identify the median of the annual total compensation of all our employees, as well as to determine the annual total compensation of our median employee and our CEO, we took the following steps:

- ✓ We determined that, as of December 31, 2021, our employee population excluding our CEO consisted of approximately 3,600 individuals with all of these individuals located in the United States and Canada (as reported in Item 1, Business in the Company’s Annual Report on Form 10-K for the year ended December 31, 2021). This population consisted of our full-time, part-time and temporary employees who received Company benefits, as we do not have seasonal workers. We selected December 31, 2021 as our identification date for determining our median employee because it enabled us to make such identification in a reasonably efficient and economic manner.
- ✓ We used a consistently applied compensation measure to identify our median employee by comparing the amount of compensation as reported to the Internal Revenue Service on Form W-2 for 2021 for US employees and the amount of compensation as reported to the Canadian Revenue Agency on T4 Statement of Remuneration Paid for 2021 for Canadian employees.
- ✓ We identified our median employee by consistently applying this compensation measure to all of our employees included in our analysis. Since all of our employees, including our CEO, are located in the United States and Canada, we did not make any cost of living adjustments in identifying the median employee. Our median employee for 2021 was a full-time, salaried employee working as a wireline coordinator with annual compensation of \$80,092.42 set forth on such employee’s Form W-2 for 2021.
- ✓ After we identified our median employee, we combined all of the elements of such employee’s compensation for the 2021 year in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K, resulting in annual total compensation of \$95,883.68. The differences between such employee’s taxable compensation reported on Form W-2 for 2021 of \$80,092.42 and the employee’s annual total compensation calculated pursuant to Regulation S-K include the following adjustments: (i) modification from bonuses paid during 2022 to bonuses earned during 2021, (ii) addition of contributions made by the employee and by the Company on the employee’s behalf to our 401(k) plan for 2021, (iii) addition of the costs of tax deductible employee group health plan premiums and employee contributions to tax deductible flexible spending accounts, and (iv) subtraction of other taxable compensation including compensation for provided housing or transportation and that attributable to group term life, short-term and long-term disability benefits.
- ✓ With respect to the annual total compensation of our CEO, we used the amount reported in the “Total” column of our 2021 Summary Compensation Table included in this Proxy Statement and incorporated by reference under Item 11 of Part III of our Annual Report on Form 10-K for the year ended December 31, 2021.

**PROPOSAL 2 — ADVISORY VOTE TO APPROVE THE COMPENSATION OF THE  
COMPANY’S NAMED EXECUTIVE OFFICERS**

Section 14A(a)(1) of the Exchange Act, which was added to the Exchange Act by Section 951 of the Dodd-Frank Act, affords the stockholders a vote to approve, on a non-binding, advisory basis, the compensation of our Named Executive Officers for the fiscal year ended December 31, 2021 (commonly known as a “say-on-pay vote”). This vote is not intended to address any specific item of compensation and is not a vote on our general compensation policies, compensation of the Board, or our compensation policies as they relate to risk management. Section 14A(a)(2) of the Exchange Act requires us to hold a say-on-pay vote at least once every three years, although the Company currently holds such vote annually.

As described more fully in the “*Compensation Discussion & Analysis*” section of this Proxy Statement and the accompanying tabular and narrative disclosures, the Company’s compensation policy is designed to attract and retain highly qualified executive officers. The Company’s compensation program seeks to align executive compensation with stockholder value on an annual and long-term basis through a combination of base pay, annual incentives, and certain long-term incentives. Please read the *Compensation Discussion & Analysis* section of this Proxy Statement for additional details on our executive compensation program.

The Board strongly endorses the Company’s executive compensation program and recommends that the stockholders approve on an advisory, non-binding basis, the following resolution:

*RESOLVED, that the stockholders approve, on an advisory basis, the compensation of the Company’s Named Executive Officers as described in the proxy statement, including the Compensation Discussion & Analysis and the tabular and narrative disclosure contained therein.*

**Vote Required**

The approval, on a non-binding basis, of the compensation of our Named Executive Officers requires the affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote on the matter. If you submit a signed proxy card but do not give voting instructions as to how your shares of Common Stock should be voted, your shares will be voted in accordance with the recommendations of our Board stated in this Proxy Statement.

**THE BOARD RECOMMENDS VOTING “FOR” THE APPROVAL OF  
THE COMPENSATION OF THE COMPANY’S NAMED EXECUTIVE OFFICERS.**

**PROPOSAL 3 — RATIFICATION OF APPOINTMENT OF THE COMPANY’S  
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed Deloitte as the Company’s independent registered public accounting firm to audit the financial statements of the Company for the fiscal year ending December 31, 2022. The audit of the Company’s consolidated financial statements for the fiscal year ended December 31, 2021 was completed by Deloitte on February 21, 2022. Deloitte has acted as the Company’s independent registered public accounting firm since 2016.

The Board is submitting the appointment of Deloitte for ratification at the Annual Meeting. The submission of this matter for approval by stockholders is not legally required, but the Board and the Audit Committee believe the submission provides an opportunity for stockholders through their vote to communicate with the Board and the Audit Committee about an important aspect of corporate governance. If the stockholders do not ratify the appointment of Deloitte, the Audit Committee will reconsider the appointment of that firm as the Company’s auditors.

The Audit Committee has the sole authority and responsibility to retain, evaluate and replace the Company’s independent auditors, and stockholder ratification of this appointment does not limit the authority of the Audit Committee to change auditors at any time. Representatives of Deloitte are expected to be present at the Annual Meeting and will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

The following table summarizes the aggregate fees billed or expected to be billed by Deloitte for the fiscal years ended December 31, 2021 and 2020.

	2021	2020
Audit Fees	\$ 2,345,213	\$ 2,144,560
Audit-Related Fees	40,000	281,893
Tax Fees	426,042	268,526
All Other Fees	—	—
<b>Total Fees</b>	<b>\$ 2,811,255</b>	<b>\$ 2,694,979</b>

**Audit Fees**

Deloitte’s fees were \$2,345,213 in 2021 and \$2,144,650 in 2020. ## AUDIT COMMITTEE REPORT

*The information contained in this Audit Committee Report shall not be deemed to be “soliciting material” or to be “filed” with the SEC, nor shall such information be incorporated by reference into any future filing under the Securities Act or the Exchange Act, except to the extent that the Company specifically incorporates such information by reference in such filing.*

### Primary Oversight Responsibilities

Our management is responsible for establishing a system of internal controls, assessing such controls and for preparing our consolidated financial statements in accordance with generally accepted accounting principles. The Audit Committee provides oversight of these management activities. Our independent registered public accounting firm is responsible for auditing our consolidated financial statements in accordance with standards of the United States Public Company Accounting Oversight Board (the “PCAOB”) and issuing its report based on its audit.

Under the Audit Committee’s charter, the purpose of the Audit Committee is to assist the Board in fulfilling its oversight responsibilities as to, among other duties: (i) the integrity of the Company’s financial statements; (ii) the Company’s compliance with legal and regulatory requirements; (iii) qualifications, independence and performance of the independent registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company; (iv) effectiveness and performance of the Company’s internal audit function; (v) the annual preparation of this report and publishing this report in the Company’s Proxy Statement for its annual meeting of stockholders or its Annual Report on Form 10-K; and (vi) performing such other functions as the Board may assign to the Audit Committee from time to time.

### Oversight of Independent Auditors

In connection with the evaluation, appointment and retention of the independent registered public accounting firm, at least annually the Audit Committee reviews and evaluates the independence and quality control procedures of the independent registered public accounting firm and the experience and qualifications of its senior personnel providing audit services to the Company. In this evaluation, the Audit Committee may consider, among other factors, the following with respect to the independent registered public accounting firm: their historical and recent performance on our audit, the quality and candor of their communications with the both the Audit Committee and management, the depth of expertise of their audit team and the value provided by their national office, the appropriateness of their fees, how effectively they maintained their independence, their tenure as our independent auditors, their knowledge of our operations, accounting policies and practices, and internal control over financial reporting, and external data relating to audit quality and performance by them and their peer firms. Based on this overall evaluation, the Audit Committee has retained Deloitte as our independent registered public accounting firm for 2022.

### 2021 Audited Financial Statements

In connection with the preparation of the audited consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2021:

- The Audit Committee reviewed and discussed the audited financial statements and associated audit with the independent registered public accounting firm and management;
- The Audit Committee discussed with the independent registered public accounting firm the matters required to be discussed by Auditing Standard No. 1301 “Communications with Audit Committees” as adopted by the PCAOB. In general, these auditing standards require the independent registered public accounting firm to communicate to the Audit Committee certain matters that are incidental to the audit, such as any initiation of, or changes to, significant accounting policies, management judgments, accounting estimates and audit adjustments; disagreements with management; the independent registered public accounting firm’s judgment about the quality of our accounting principles; significant audit risks identified and any changes from planned audit strategy; the use of specialists on the audit team; and issues for which the independent registered public accounting firm have consulted outside the engagement team; and
- The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent registered public accounting firm’s communication with the Audit Committee concerning independence, and has discussed the independent registered public accounting firm’s independence with the independent registered public accounting firm. The Audit Committee also considered whether the independent registered public accounting firm’s provision of non-audit services to us was compatible with maintaining their independence.

Based on the review and discussions noted above, the Audit Committee recommended to the Board that the audited consolidated financial statements of the Company for the year ended December 31, 2021 be included in our Annual Report on Form 10-K filed with the SEC.

**PROPOSAL 4 — APPROVAL OF AN AMENDMENT TO OUR AMENDED AND RESTATED  
CERTIFICATE OF INCORPORATION TO CHANGE THE NAME OF THE COMPANY TO LIBERTY ENERGY INC.**

Our Amended and Restated Certificate of Incorporation requires the affirmative vote of the holders of at least 66 2/3% in voting power of the outstanding shares of Common Stock entitled to vote thereon, voting together as a single class in order to amend any provision of our Certificate of Incorporation.

On January 18, 2022, the Board unanimously adopted a resolution to amend, and to recommend that the stockholders approve, an amendment to Article First of our Amended and Restated Certificate of Incorporation for the purpose of changing our name from “Liberty Oilfield Services Inc.” to “Liberty Energy Inc.” The Board strongly endorses the name change and recommends that the stockholders approve the following resolution:

*RESOLVED, that the stockholders approve an amendment to Article FIRST of the Company’s Amended and Restated Certificate of Incorporation as follows:*

*FIRST: The name of the Corporation is Liberty Energy Inc.*

**Reasons for Name Change**

Due to our internal growth and strategic acquisitions over the past few years, as discussed further in this Proxy Statement and our Annual Report on Form 10-K, the Company has grown to become a provider of integrated hydraulic fracturing services, including wireline, proppant delivery, sand mine operations, related goods, and associated data analytics and technologies. Throughout this growth, we have stayed intently focused on providing “next-generation” frac fleets and technologies to assist our customers with completing their wells in an ESG-friendly manner, including working to better the process of bringing hydrocarbons to the surface in a clean, safe and efficient fashion.

While we recognize the various environmental and social impacts of hydrocarbon energy and fervently work to address them as shown above, we believe that access to life-enhancing modern energy presents the most pressing global energy challenge. We are proud to deliver affordable, dependable energy that is vital to human progress. Given the breadth of the related services now offered and our focus on energy production, the Company believes the new name of “Liberty Energy Inc.” better aligns with the Company’s goal of both providing energy and bettering human lives.

**Effects of Name Change**

If the stockholders approve the proposed amendment to our Amended and Restated Certificate of Incorporation, the amendment will become effective upon the filing of a certificate of amendment to our Amended and Restated Certificate of Incorporation with the Secretary of State of the State of Delaware, which would be filed shortly after the Annual Meeting. While the name change will cause us to incur certain modest costs, the Board believes that any potential confusion and costs associated with the name change will be minimal and will be outweighed by the benefits of the name change. The change in the Company’s name will not affect the status of the Company or the rights of any stockholder in any respect. We will not change the trading symbol for our Class A Common Stock as a result of the name change, which will continue to be quoted on the NYSE as LBRT.

**Vote Required**

The approval of an amendment to our Amended and Restated Certificate of Incorporation requires the affirmative vote of at least 66 2/3% in voting power of the outstanding shares of Common Stock entitled to vote thereon. If you submit a signed proxy card but do not give voting instructions as to how your shares of Common Stock should be voted, your shares will be voted in accordance with the recommendations of our Board stated in this Proxy Statement.

**THE BOARD RECOMMENDS VOTING “FOR” THE APPROVAL OF  
AN AMENDMENT TO OUR AMENDED AND RESTATED  
CERTIFICATE OF INCORPORATION TO CHANGE THE NAME  
OF THE COMPANY TO LIBERTY ENERGY INC.**

## CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

### Policies and Procedures for Review of Related Party Transactions

A “*Related Party Transaction*” is a transaction, arrangement or relationship in which the Company or any of its subsidiaries was, is or will be a participant, the amount of which involved exceeds \$120,000, and in which any related person had, has or will have a direct or indirect material interest. A “*Related Person*” is:

- ◆ any person who is, or at any time during the applicable period was, one of our executive officers or one of our directors;
- ◆ any person who is known by us to be the beneficial owner of more than 5% of our Class A Common Stock;
- ◆ any immediate family member of any of the foregoing persons, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law of a director, executive officer or a beneficial owner of more than 5% of our Class A Common Stock, and any person (other than a tenant or employee) sharing the household of such director, executive officer or beneficial owner of more than 5% of our Class A Common Stock; and
- ◆ any firm, corporation or other entity in which any of the foregoing persons is a partner or principal or in a similar position or in which such person has a 10.0% or greater beneficial ownership interest.

Our Board adopted a written related party transactions policy in connection with the IPO. Pursuant to this policy, our Audit Committee reviews all material facts of all Related Party Transactions and either approves or disapproves entry into the Related Party Transaction, subject to certain limited exceptions. The determination of the Audit Committee is documented in the Audit Committee’s minutes. In determining whether to approve or disapprove entry into a Related Party Transaction, our Audit Committee takes into account, among other factors, the following: (i) whether the Related Party Transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances and (ii) the extent of the Related Person’s interest in the transaction. Furthermore, the policy requires that all Related Party Transactions required to be disclosed in our filings with the SEC be so disclosed in accordance with applicable laws, rules and regulations.

### Related Party Transactions

The following is a description of transactions entered into, or in effect, after January 1, 2021 to which we have been a party, in which the amount involved in the transaction exceeds \$120,000, and in which any of our directors, executive officers or beneficial owners of more than 5% of our voting securities, or affiliates or immediate family members of any of our directors, executive officers or beneficial owners of more than 5% of our voting securities, had or will have a direct or indirect material interest. We believe the terms obtained or consideration that we paid or received, as applicable, in connection with the transactions described below were comparable to terms available or the amounts that would be paid or received, as applicable, from unrelated third parties.

#### *Liberty LLC Agreement*

We entered into the Second Amended and Restated Limited Liability Company Agreement of Liberty Oilfield Services New HoldCo LLC (“*Liberty LLC*”) (the “*Liberty LLC Agreement*”) in connection with the closing of our IPO, which provides for limitations on the ability of holders of units of Liberty LLC (the “*Liberty LLC Units*,” and the holders of Liberty LLC Units “*Liberty Unit Holders*”) to transfer their Liberty LLC Units and provides the Company, as managing member of Liberty LLC, with the right to impose restrictions (in addition to those already in place) on the ability of Liberty Unit Holders to redeem their Liberty LLC Units pursuant to the Redemption Right (as defined below) to the extent the Company believes it is necessary to ensure that Liberty LLC will continue to be treated as a partnership for U.S. federal income tax purposes.

#### *Redemption Rights*

Under the Liberty LLC Agreement, each Liberty Unit Holder has, subject to certain limitations, the right (the “*Redemption Right*”) to cause Liberty LLC to acquire all or a portion of its Liberty LLC Units for, at Liberty LLC’s election, (i) shares of our Class A Common Stock at a redemption ratio of one share of Class A Common Stock for each Liberty LLC Unit redeemed, subject to conversion rate adjustments for stock splits, stock dividends and reclassification and other similar transactions or (ii) an equivalent amount of cash. Alternatively, upon the exercise of the Redemption Right, the Company (instead of Liberty LLC) has the right (the “*Call Right*”) to, for administrative convenience, acquire each tendered Liberty LLC Unit directly from the redeeming Liberty Unit Holder for, at the Company’s election, (x) one share of Class A Common Stock or (y) an equivalent amount of cash. In addition, upon a change of control of the Company, the Company has the right to require each holder of Liberty LLC Units (other than the Company) to exercise its Redemption Right with respect to some or all of such unit holder’s Liberty LLC Units. In connection with any redemption of Liberty LLC Units pursuant to the Redemption Right or the Call Right, the corresponding number of shares of Class B Common Stock will be

cancelled. As the Liberty Unit Holders redeem their Liberty LLC Units, our membership interest in Liberty LLC will be correspondingly increased, the number of shares of Class A Common Stock outstanding will be increased, and the number of shares of Class B Common Stock outstanding will be reduced.

### *Distributions and Allocations*

Under the Liberty LLC Agreement, the Company has the right to determine when distributions will be made to the holders of Liberty LLC Units and the amount of any such distributions. If the Company authorizes a distribution, such distribution will be made to the holders of Liberty LLC Units generally on a pro rata basis in accordance with their respective percentage ownership of Liberty LLC Units.

Liberty LLC will allocate its net income or net loss for each year to the holders of Liberty LLC Units pursuant to the terms of the Liberty LLC Agreement, and the holders of Liberty LLC Units, including the Company, will generally incur U.S. federal, state and local income taxes on their share of any taxable income of Liberty LLC. Net income and losses of Liberty LLC generally will be allocated to the holders of Liberty LLC Units on a pro rata basis in accordance with their respective percentage ownership of Liberty LLC Units, subject to requirements under U.S. federal income tax law that certain items of income, gain, loss or deduction be allocated disproportionately in certain circumstances. To the extent Liberty LLC has available cash and subject to the terms of any debt instruments, the Company intends to cause Liberty LLC to make (i) generally pro rata distributions to the holders of Liberty LLC Units, including the Company, in an amount sufficient to allow the Company to pay its taxes and to allow it to make payments under the Tax Receivable Agreements (as defined below), (ii) tax advances, which will be repaid upon exercise of the Redemption Right or the Call Right, as applicable, in an amount sufficient to allow each of the Liberty Unit Holders to pay its respective taxes on such holder's allocable share of Liberty LLC's taxable income after taking into account certain other distributions or payments received by the Liberty Unit Holders from Liberty LLC or the Company, and (iii) non-pro rata payments to the Company to reimburse it for its corporate and other overhead expenses.

### *Issuance of Equity*

The Liberty LLC Agreement generally provides that at any time the Company issues a share of its Class A Common Stock or any other equity security, the net proceeds received by the Company with respect to such issuance, if any, shall be concurrently invested in Liberty LLC, and Liberty LLC shall issue to the Company one Liberty LLC Unit or other economically equivalent equity interest. Conversely, if at any time, any shares of Class A Common Stock are redeemed, repurchased or otherwise acquired, Liberty LLC shall redeem, repurchase or otherwise acquire an equal number of Liberty LLC Units held by the Company, upon the same terms and for the same price, as the shares of the Class A Common Stock are redeemed, repurchased or otherwise acquired.

### *Dissolution*

Liberty LLC will be dissolved only upon the first to occur of (i) the sale of substantially all of its assets or (ii) an election by us to dissolve the company. Upon dissolution, Liberty LLC will be liquidated and the proceeds from any liquidation will be applied and distributed in the following manner: (i) first, to creditors (including to the extent permitted by law, creditors who are members) in satisfaction of the liabilities of Liberty LLC; (ii) second, to establish cash reserves for contingent or unforeseen liabilities; and (iii) third, to the members in proportion to the number of Liberty LLC Units owned by each of them.

### ***Tax Receivable Agreements***

In connection with the IPO, on January 17, 2018, the Company entered into two tax receivable agreements, (the "TRAs") with the Liberty Unit Holders and the selling stockholder (each such person and any permitted transferee, a "TRA Holder" and together, the "TRA Holders"). The TRAs generally provide for the payment by the Company of 85% of the net cash savings, if any, in U.S. federal, state, and local income tax and franchise tax (computed using simplifying assumptions to address the impact of state and local taxes) that the Company actually realizes (or is deemed to realize in certain circumstances) in periods after the IPO as a result, as applicable to each TRA Holder, of (i) certain increases in tax basis that occur as a result of the Company's acquisition (or deemed acquisition for U.S. federal income tax purposes) of all or a portion of such TRA Holder's Liberty LLC Units in connection with the IPO or pursuant to the exercise of the Redemption Right or the Call Right, (ii) any net operating losses available to the Company as a result of the corporate reorganization, and (iii) imputed interest deemed to be paid by the Company as a result of, and additional tax basis arising from, any payments the Company makes under the TRAs. For the year ended December 31, 2020, the Company made TRA payments of \$1.9 million and \$5.5 million, totaling \$7.4 million. These TRA payments were related to tax benefits realized in prior years and for the Company's carryback of 2019 net operating losses to 2018 taxable income under the CARES Act.

### ***Schlumberger***

#### *Master Transaction Agreement*

On August 31, 2020, the Company, entered into a Master Transaction Agreement (the "MTA") with Schlumberger, Schlumberger Canada Limited, ("*Schlumberger Canada*" and, together with Schlumberger, the "*Schlumberger Parties*"), Liberty LLC, and LOS Canada Operations Inc. ("*Canadian Buyer*"), pursuant to which the Liberty LLC and Canadian Buyer acquired the Schlumberger Parties'

OneStim business in exchange for 57,377,232 shares of Class A Common Stock and a non-interest bearing demand promissory note, which note was satisfied with 8,948,902 shares of Class A Common Stock, resulting in a total of 66,326,134 shares of Class A Common Stock being issued in connection with the transaction. The Schlumberger Parties are affiliated with Messrs. Ayat and McDonald, who are on our Board. The transactions contemplated by the MTA closed on December 31, 2020.

Until December 31, 2024, subject to certain exceptions and as more specifically set forth in the MTA, without the prior written consent of the Company, each of Schlumberger and Schlumberger Canada will not, and will cause each of their respective affiliates (including Schlumberger Limited) not to, directly or indirectly engage in any business or enterprise that is competitive with OneStim within onshore United States and Canada.

On December 31, 2020, in connection with the closing of the transactions contemplated by the MTA, the Company (and/or one or more of its subsidiaries) and the Schlumberger Parties entered into the following agreements, each of which may involve amounts in excess of \$120,000: (i) an intellectual property license agreement, whereby the Schlumberger Parties granted to Liberty LLC and the Company exclusive and non-exclusive licenses to certain intellectual property, and Liberty LLC granted to the Schlumberger Parties a non-exclusive license to certain patents acquired by Liberty LLC under the MTA; (ii) an employee matters agreement, pursuant to which the applicable Schlumberger Party agreed to lease employees to the Company or a subsidiary of the Company until March 1, 2021, subject to certain exceptions and extensions; (iii) an alliance agreement whereby Schlumberger and Liberty LLC agreed to collaborate to advance each of their product portfolios and technology offerings; (iv) a transition services agreement whereby Schlumberger or its designee agreed to provide certain back-office, administrative, field operations, supply chain and other specified services to the Company until March 1, 2021, subject to certain exceptions and extensions; and (v) a strategic supply agreement intended to provide the Company with an opportunity to purchase from the various business lines of Schlumberger, products and services with competitive pricing terms for a term not to exceed the term of the non-compete covenant in the MTA discussed above.

#### *Amended and Restated Stockholders Agreement*

In connection with the OneStim Acquisition, we entered into an amended and restated stockholders agreement with affiliates of Riverstone, and the Schlumberger Parties. Among other things, the amended and restated stockholders agreement provides the right to designate nominees to our Board as follows:

- so long as the Schlumberger Parties and its affiliates collectively beneficially own at least 20% of the outstanding shares of our Common Stock, the Schlumberger Parties can designate up to two (2) nominees to our Board; and
- so long as the Schlumberger Parties and their affiliates collectively beneficially own at least 10% of the outstanding shares of our Common Stock, the Schlumberger Parties can designate up to one (1) nominee to our Board.

Pursuant to the amended and restated stockholders agreement, the Schlumberger Parties will not, (i) for a period of nine months from the closing of the OneStim Acquisition, transfer or dispose of (or take other analogous actions in accordance with the terms of the agreement) any economic, voting or other rights in or to their issued shares, other than certain permitted transfers and, (ii) for a period of four years from the closing of the OneStim Acquisition, make any transfer of Common Stock to any direct competitor of the Company or to any person that is subject to, or by virtue of such transfer would become subject to, the reporting obligations under Schedule 13D under the Exchange Act, with respect to Common Stock (the “*Lock-Up and Transfer Restrictions*”).

Pursuant to the amended and restated stockholders agreement, the Schlumberger Parties and their affiliates are subject to customary standstill restrictions in accordance with which such parties will agree not to, among other things, acquire beneficial ownership of any equity securities of the Company or publicly seek or encourage any offer or proposal for a merger or similar transaction involving the Company during the period commencing on the date of the agreement and continuing until the fourth anniversary of the closing of the OneStim Acquisition (the “*Standstill*”).

Pursuant to the amended and restated stockholders agreement, we will be required to take all necessary actions, to the fullest extent permitted by applicable law (including with respect to any fiduciary duties under Delaware law), to cause the election of the nominees designated by either the Riverstone affiliates or the Schlumberger Parties. Our Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws provide indemnification rights to our directors and officers and permit us to purchase insurance on behalf of any officer, director, employee or other agent for any liability arising out of that person’s actions as our officer, director, employee or agent, regardless of whether Delaware law would mandate indemnification. Additionally, we have entered into separate indemnity agreements with our directors and officers to provide additional indemnification benefits, including the right to receive, in advance, reimbursements for expenses incurred in connection with a defense for which the director or officer is entitled to indemnification. We believe that the limitation of liability provisions in our certificate of incorporation, bylaws and the indemnity agreements will facilitate our ability to continue to attract and retain qualified individuals to serve as directors and officers.

### **Conflicts of Interest**

The related party transactions described herein may cause certain conflicts of interests, including that:

- ◆ we may enter into contracts between us, on the one hand, and related parties, on the other, that are not as a result of arm’s-length transactions;
- ◆ our executive officers and directors that hold positions of responsibility with related parties may be aware of certain business opportunities that are appropriate for presentation to us as well as to such other related parties and may present such business opportunities to such other parties; and

## **DELINQUENT SECTION 16(a) REPORTS**

Section 16(a) of the Exchange Act requires the Company's directors, executive officers and persons who are beneficial owners of more than ten percent (10%) of a registered class of the Company's equity securities to file with the SEC initial reports of ownership and reports of changes in ownership. Directors, executive officers and beneficial owners of more than ten percent (10%) of a registered class of the Company's equity securities are also required to furnish the Company with copies of all Section 16(a) reports that they file with the SEC. If requested, the Company assists its executive officers and directors in complying with the reporting requirements of Section 16(a) of the Exchange Act. The SEC has designated specific deadlines for these reports, and we must identify in this Proxy Statement those persons who did not file these reports when due.

To the Company's knowledge, based solely on examination of these reports and on written representations provided to us, all directors, executive officers and ten percent (10%) owners timely filed all reports regarding transactions in our securities required to be filed for 2021 pursuant to Section 16(a) of the Exchange Act, except for one late Form 3 filing for James R. ## **HOUSEHOLDING**

The SEC permits companies and intermediaries (such as brokers and banks) to satisfy delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report to those stockholders. This process, which is commonly referred to as "householding," is intended to reduce the volume of duplicate information stockholders receive and reduce expenses for companies. Both the Company and some of our intermediaries may be householding our proxy materials and Annual Report on Form 10-K. Once you have received notice from your broker or another intermediary that they will be householding materials sent to your address, householding will continue until you are notified otherwise or until you revoke your consent. Should you wish to receive separate copies of our Annual Report on Form 10-K and proxy statement in the future, we will promptly deliver a separate copy of each of these documents to you if you send a written or oral request to us at our phone number or address appearing on the cover of this Proxy Statement, to the attention of the Corporate Secretary. If you hold your shares through an intermediary that is householding and you want to receive separate copies of our Annual Report on Form 10-K and proxy statement in the future, you should contact your bank, broker or other nominee record holder.

SEC rules set standards for eligibility and specify the types of stockholder proposals that may be excluded from a proxy statement. In addition, the Company's Amended and Restated Bylaws provide that any stockholder who would like to have a proposal considered at our 2023 annual meeting of stockholders must submit the proposal to the Secretary of the Company at the Company's principal executive offices so that it is received by not earlier than the close of business on December 20, 2022, and not later than the close of business on January 19, 2023, unless the date of our 2023 annual meeting is more than 30 days before or more than 60 days after April 19, 2023, in which case the proposal must be received no later than the 10th day following the day on which public announcement of the date of such meeting is first made by the Company. A copy of the Company's Amended and Restated Bylaws is available upon request from the Secretary of the Company. Stockholders who intend to submit a proposal for nomination of persons for election to our Board or a proposal of business at the 2023 annual meeting (other than matters properly brought under Rule 14a-8 under the Exchange Act and included in the Company's notice of meeting) must follow the procedures prescribed in the Company's Amended and Restated Bylaws. No stockholder proposal was received for inclusion in this Proxy Statement.
